Item code	Description	Standard	Symbol of marking
60040	PC visor, 20 cm	EN 166	1, F, 3, 9
60041	PC, 16 cm	EN 166	1, F
60042	PC visor, 10 cm	EN 166	1, F
60043	PC visor, 20 cm - tested for short circuit electric arc	EN 166	1, B, 3, 8, 9
60044	PC visor, 23 cm	EN 166	1, B, 3, 9
60045	PC visor, 20 cm antifog/anti-scratch	EN 166	1, F, 3, 9
60060	Metal mesh visor	EN 1731	S
60065	Nylon mesh visor	EN 1731	S

Item code	Description
60020	Visorholder for EXC helmet mounted ear muff
60022	Helmet clip
60030	Visorholder for EXC, HPE headband ear muff
60034	Visorholder with brim for EXC, HPE headband
60035	Visorholder XLS

Key to symbols of marking:

1 = Optical class 1

S = Resistance against high-speed particles, 12 m/sec

B = Resistance against high-speed particles, 45 m/sec

F = Resistance against high-speed particles, 120 m/sec

3 = Protection against liquid splash

8 = Protection against short circuit electric arc

9 = Protection against molten metals and hot solids
